Word of the Month

# What's in a Chinese Character

## What's in a Chinese Character

shàng

上 up

Written character: 3 strokes

上学: go to school

Since up and down, above and below are relative and abstract terms, man conveyed the ideas graphically by relating a simple stroke to a horizontal foundation line (一). This stroke above the base line was originally a dot extended to a line propped up-right, embellished and finally stabilized:

上
