

## **Cartooning Course:**

In my Cartooning course, recommended for students aged 10 and older, students will be able to develop their own artistic styles by frequent drawing and sketching. They will learn character designs and poses, as well as different perspectives to make backgrounds. Students will also get opportunities to make their own comic strips or illustrations.

**Below are the list of art supplies your child will need for this class. If you already have any of these supplies at home, there is no need to buy them new or expensive/high-quality. Recommended places with art supplies include, but not limited to: Blick, Michael's, Hobby Lobby, Office Depot.**

- Pencils
- Erasers
- Micron pens (*for outlining drawings*)
- Coloring materials (such as colored pencils, crayons, markers, or watercolor paints)
- Drawing paper or mixed media paper (*note: I usually prefer 9 inches x 12 inches but any size paper can be used during Zoom learning*)
