Teacher: Ms. Marilyn Kim

(Language spoken for this course: English)

(Will be taught online via Zoom)

Art Classroom Rules:

- Follow the directions.
- Respect the teacher and other students.
- Keep your materials clean.
- Have fun, be creative, learn!

In my Pastel Drawing course, recommended for students aged 6 and older, they will learn different kinds of techniques, and how to use pastels to draw different kinds of subject matter such as objects, landscapes, and portraits. Drawing and sketching are also taught, combined with the application of pastels. Oil pastels will be used as sketchy and more detailed effects, while soft pastels will be used as a more painterly effect.

- **Session 1 (6/6/2022 - 7/10/2022)**: I will teach techniques for both oil pastels and soft pastels, drawing and coloring various subject matter such as animals, portraits, objects, etc.
- **Session 2 (7/11/2022 - 8/14/2022)**: I will teach things such as use of colored paper, drawing still life, landscapes, sceneries, etc.

It is highly recommended that students NOT wear any light-colored or 'nice' clothing during these lessons, as pastels can be messy to use.

Below is the list of art supplies your child will need for this class. If you already have any of these supplies at home, there is no need to buy them new or expensive/high-quality. Recommended places with art supplies include, but not limited to: Blick, Michael's, Hobby Lobby, Office Depot. You can also order online on sites such as Amazon.com. Additional materials will be provided by myself in the classroom.

- Pencils
- Erasers
- Toothpicks
- 1 set of oil pastels (*12 or more colors*)
- 1 set of soft pastels (*12 or more colors*) (*NOT very soft*)
- Pastel paper in various colors (*like white, beige, blue, black, etc.*) (*note: I usually prefer 9 inches x 12 inches but any size paper can be used during Zoom learning*)
- Toothpicks (*for oil pastels only*)
- Q-tips
- Napkins or paper towels
- Oil in a small container (*can be vegetable oil, olive oil, baby oil, etc.*) (*for oil pastels only*)
- Scrap paper of any kind (*for cleaning pastels*)
- Big sheets of paper of any kind (like old newspapers) to store and protect soft pastel artworks (*because they smudge easily unless fixative is sprayed upon*)

- Optional but recommended: pre-moistened wipes (*for cleaning hands and fingers to avoid smudging*)
- Optional: Fixative (*so that the finished soft pastel artworks do not get smudged or faded*) (*note: Recommended use by PARENTS ONLY*)
