(Will be taught online via Zoom)

Art Classroom Rules:

- Follow the directions.
- Respect the teacher and other students.
- Keep your materials clean.
- Have fun, be creative, learn!

In my Drawing/Watercolor course, recommended for students aged 8 and older, they will learn different kinds of techniques, and how to use watercolors to draw different kinds of subject matter such as objects, landscapes, and portraits. Drawing and sketching are also taught, combined with the application of pastels.

- **Session 1 (6/6/2022 - 7/10/2022)**: I will teach techniques for watercolors, drawing and painting various subject matter such as animals, portraits, objects, etc.
- **Session 2 (7/11/2022 - 8/14/2022)**: I will teach things such as drawing and painting still life, landscapes, sceneries, etc.

It is highly recommended that students NOT wear any light-colored or 'nice' clothing during these lessons, as watercolors can be messy to use.

Below is the list of art supplies your child will need for this class. If you already have any of these supplies at home, there is no need to buy them new or expensive/high-quality.
