

RAY CHINESE SCHOOL

COURSE SYLLABUS

Course Information:

Course Title: **Immersion Chinese Level 2**

Course Description: This class is a more advanced introductory level Chinese class. Class covers various daily life topics, such as color, clothes, body part, sports, animals, transportation, money, language, weather, and comparison. Teachers provide practice in the four language aspects: listening, speaking, reading and writing with emphasis of listening improvement. Teachers use the target language to teach in class whenever possible, while ensure students' comprehension for the teaching material. Students are exposed to Chinese culture and traditions, do contests, and play games and sing songs in Chinese. They are encouraged to speak Chinese in a fun and natural speaking environment. The class introduces about 150 new words.
